

Doing Good is Good for Business

We invite organizations, civic groups, neighbors and friends to join together to do good.

There are many opportunities for groups to engage with our mission by supporting a patient population or program. Participating and tackling a goal together can help your employees/members establish meaningful relationships and gain a sense of pride knowing they made a difference. **You decide what moves you.** Is it an in-kind drive, a third party fundraiser or a volunteer opportunity? We are here to recognize your contribution and connect you to the mission. We are so thankful for your generosity and look forward to connecting with you!

Ways to support Hennepin Healthcare

Team Assembly

Invite your team to be hands on to assemble these kits that meet a patient's need:

- Children's Giggle Packs
- Cold Weather Relief Kits
- Snack Bundles
- Toiletry Kits

Clothing Drive

Provide clothing to boost the confidence of a pediatric or adult patient who is discharged from the hospital. Some patients have damaged clothing after an accident or clothing has been removed to access wounds. Others simply do not have adequate clothing for the weather. For those who don't have the support of family or friends, our emergency clothing closet provides clean items so a patient can be discharged with dignity.

Please collect:

- NEW (brief) underwear (Men's/Women's, xs - XXL)
- NEW (crew/tube) socks (Teen size 7 - adult size 13)
- NEW duffel bags and backpacks
- NEW (solid) t-shirts (Men's/Women's, xs - XXL)
- NEW tennis shoes (Teen size 7 - adult size 13)

Sponsor a Care Cart

Care Carts are a wonderful way to say thank you to a team at Hennepin Healthcare. Rotating each month, eight carts are delivered to inpatient hospital units and our emergency department. Stocked with beverages, sweet snacks, salty treats, and more these take away items provide relief and a much-needed break. Learn more about sponsoring a \$300 care cart at hennepinhealthcare.org/doinggood.

Support for Pediatric Patients

We accept new, unwrapped, non-denominational toys, games and gifts for Hennepin Healthcare pediatric patients who are 2-17 years old. Suggested items:

- Beverage tumblers
- Board games
- Card games
- Cinch/duffel bags
- Cinema lightboxes
- Comic books
- Crossword puzzle books
- Gift cards (Target, Amazon, Netflix, Apple Music, etc.)
- Journals
- Markers and construction paper
- Mini basketball hoops
- Nail polish kits
- Novelty socks
- Portable phone chargers
- Pack n Play cribs
- Puzzles

Next Steps

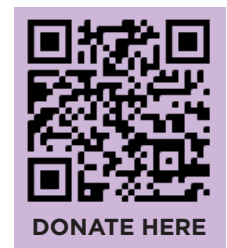

Contact us for an initial conversation that will cover logistics, such as your preferred drop-off location, what delivery day will look like, and opportunities to share your generosity on social media. Set start/end dates for the donation drive or a date for your team activity. We will arrange a greeter on delivery day to capture your generosity in photos.

More ways to show your support:

Join us as a Community Partner if you have: Workplace giving, a matching gifts program or grants

Join us as a sponsor: Events, Talent Garden Youth Summits and internships

Consider a donation: Visit hennepinhealthcare.org/hhfgive

We are so thankful for your generosity and look forward to connecting with you

Hennepin Healthcare Foundation has the honor of connecting the generosity of the community to the mission of Hennepin Healthcare. Caring for anyone at any time with any condition takes resources and a team of exceptional staff. Our unique position of being Minnesota's largest level one trauma center, safety net, and public teaching hospital offers innovative ways to influence the health of our community. Generosity removes barriers to healthcare access, enhances the patient and family experience, and advances efforts in medical education, clinical research and community health.
